## *A few words from Mrs Malt*

Can you believe we are now halfway through the term its as if we have never been away! Everyone is getting used to the changes within school and things are gradually returning back to normal.

I hope you found the newsletter with all the dates and timetables useful. We will of course keep reminding you of any significant events with both letters and text and all the information will be on the website and blog.

### Reading challenge

Before the end of the last half term we asked our children to take part in the literacy reading challenge. We were delighted with how many of our children took part. Well done to the 62 children who started the challenge and an even bigger well done to the 38 children who completed it. These children were presented with certificates.
