Dear Parents/ Carers

Food allergy and dietary requirements update form 2021.

Food allergies, intolerances and other dietary-related medical conditions are a growing concern for everyone. Those who are affected can suffer a severe or even fatal reaction if they eat, or come into contact with, food that they are allergic to.

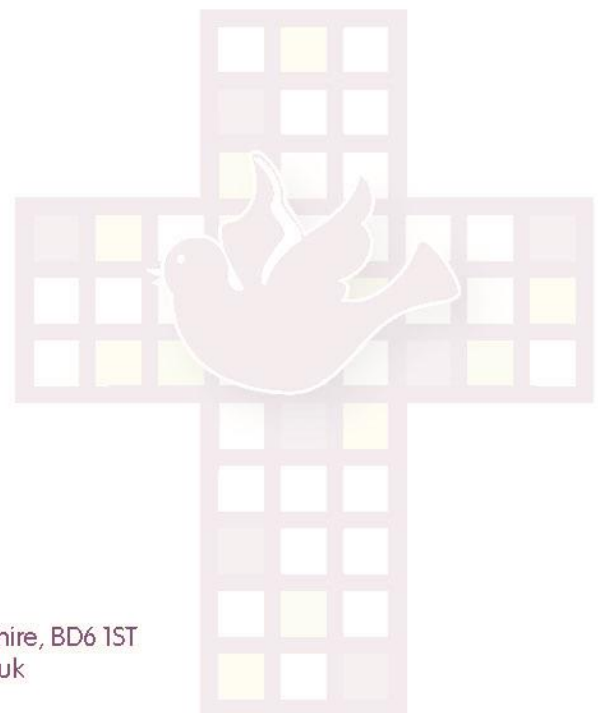

To ensure that our records within school are kept up to date, we would kindly ask that you complete the questions overleaf and return to school, no later than Friday 1st October. Please note that the form will need to be returned, even if your child has no allergies/intolerances or dietary requirements.

Together, we can provide a safe environment for your child by communicating well and sharing information in a timely way. With that in mind, it is extremely important that if your child's condition changes at any point during the school year, you let us know immediately.

Yours Sincerely

Mrs C Palmer

Head Teacher
