

## History

We will be learning about significant people and places within Keighley and why they are important.

Continuing from this we will find out about Captain Tom Moore and his act of kindness that will go down in History.

Whilst on our trip to the Keighley Worth Valley railway we will have the opportunity to learn more about the history of trains, which will help us later in the half term.

## Visits

We will be visiting the Keighley and Worth Valley railway on Wednesday 14<sup>th</sup> of September.

During the visit, we will get to travel on the Worth Valley Railway to Ingrow where we will get out and explore the museum there.

## Geography

We will find out where Keighley is and whether it is a town, village or city. We will locate significant places in Keighley on a map including, Cliffe Castle, Keighley railway and the war memorial. We will be drawing our own versions of these landmarks before our visit. Finally we will discuss how far Keighley is from our school and decide what transport we could use to get there.

## Our Bradford Keighley

For the first two weeks of term, we will be building on the pupils' local knowledge and learning about Keighley and the KWV railway. During the topic, we will mainly focus on Geography and History.

To end our unit of learning we will be writing a short recount of our trip using pictures we will take whilst we are there. We will write about what we saw, what we did and how we got there.
