

### History

In history we will become detectives and use pictures to make predictions about the story of the Bradford Boar. We will learn about the interesting tale and use it to write non-chronological reports in the form of a wanted poster and newspaper style recount.

We will also look at the importance of the Shipley Glen Tramway and how transport has changed over the years.

### Geography

In geography we will be exploring maps and the information they give us. We will identify the symbols used to show both natural and man-made features, and then use this information to find out what we might see when we visit Shipley. We will also look at a compass and how we use North, South, East and West to give directions.

## Our Bradford Shipley

For the first two weeks of term, we will be building on the pupils' local knowledge and learning about Shipley and Bracken Hall Country Park. During the topic, we will mainly focus on Geography and History.
