

## Maths

### Place Value

We will be focusing on place value within 10. We will be practising counting forwards and backwards which will help us to find 1 more and 1 less than a number, comparing numbers using the symbols  $>$   $=$   $<$  (greater, equal and less) and ordering numbers.

### Addition and Subtraction

In addition and subtraction we will be focussing on using part whole models, creating fact families and learning our number bonds to 10.

### Shape, Space and Measure

With Mrs Burke we will be learning the names of 2D and 3D shapes and how to identify them.

## Autumn Overview Year 1

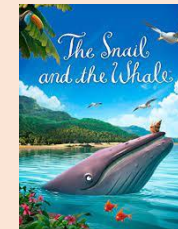

## Maths and Writing

## Writing

In **English** we will be reading

'Snail and the Whale'

During the unit we will be sharing and sequencing the story, describing the characters and settings using adjectives, and finishing the unit by writing a postcard from the snail's point of view.

We will continue to develop our writing skills by using finger spaces, capital letters and full stops.

In **Phonics** we will be recapping our phase 3 phonemes and practising our segmenting and blending skills.
