

Maths

Place Value

We will be learning about the place value of numbers up to 10,000 and locating these numbers on a number line. We will also be rounding numbers to the nearest 10, 100 and 1000.

Addition and Subtraction

We will be learning to use the column method for addition and subtraction of numbers up to 4 digits. We will estimate and use the inverse operation to check our answers.

Multiplication and Division

We will be recalling our number facts for multiplications up to 12×12 and multiply 2 digit and 3 digit numbers by 1 digit using the formal written method.

Shape, Space and Measure

We will be looking at perimeter and area of shapes. Looking at the space around the outside and inside.

Year 4

Autumn

Overview

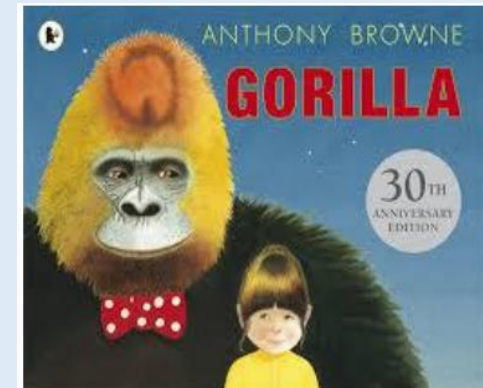

Maths

and

Writing

Writing

We will be using the picture book Gorilla to inspire our creative writing. We will be making predictions, role-playing, and freeze-framing characters thoughts and letter writing from the point of view of the characters in the story.

We will also investigate speech and the correct punctuation to use. We will retell events of the story, through the dialogue between characters.
